

JOURNAL - INTERNATIONAL JOURNAL OF PURE AND APPLIED MATHEMATICS
(IJPAM) - ISSN 1311-8080

1. BER Analysis of BPSK for Block codes and Convolution codes over AWGN Channel
Sakthi Mariamman Engineering College, Chennai.

V.Pushpa Dr.H.Ranganathan Dr.M.Palanivelan

2. Experimental Investigations and Operating Characteristics of Diesel Engine using Biodiesel
SASTRA University, Thanjavur.

Mohanraj.T Barathwaj.V Marshal Andru.M Aravindh Venkatesh.S

3. Garbage Monitoring System Using IOT
SRM University, Chennai.

Ashima Bajaj Sumanth Reddy

4. PERFORMANCE OF TARGETED PUBLIC DISTRIBUTION SYSTEM AS A MEANS OF FOOD SECURITY: A
Case Study of Kerala State

School of Arts and Sciences, Amrita University, Kochi.

AMRITHA HARIDAS.K SAJISHA SAJEEVAN SANOOJA SADIQUE AMBI.S.NAIR

JOURNAL - JOURNAL OF ADVANCED RESEARCH IN DYNAMICAL AND CONTROL
SYSTEMS (JARDCS) - ISSN 1943-023X

1. Performance Analysis of An Interleaved Fly-back (DC-DC) Converter using Incremental
conductance algorithm for PV Source

Amrita School of Engineering, Bengaluru.

V. S. Kirthika Devi Sai Sabareesh R. Ram Bharath Reddy

2. Adaptive cruise control using customized Time Triggered Cooperative Scheduler for vehicle
BTL Institute of Technology and Management, Bangalore.

Basavaraj G. Kudamble Dr.Fathima Jabeen

3. Classification of VoIP Traffic based on analysis of VBR codecs

Amrita Viswa Vidyapeetham, Coimbatore.

Sindhumathi, .R Amritha P. P

4. Preventive System against Cyber bullying using Topic Modeling Algorithm

Amrita Viswa Vidyapeetham, Coimbatore.

P.Subathra Thiyaneswaran.V P.N.Kumar

5. A vision system to guide visually challenged to pick up ingredients from rack

Amrita Viswa Vidyapeetham, Coimbatore.

A.Baskar D Kishan Vijay Lingesh B

6. IMPROVING STORAGE AND SECURITY EFFICIENCY ON HADOOP

School of Arts and Sciences, Amrita University, Kochi.

Megha M Sreekumar K

7. Volume Challenges of big data: Traditional vs Big Data

School of Arts and Sciences, Amrita University, Kochi
Drisya SSreekumar K

8. Sentimental Analysis on Tamil News Feed

Amrita Viswa Vidyapeetham, Coimbatore.
G. Radhika K. Narasimha Prasath T.Rajasundari

9. Operating characteristics of Variable Compression Ratio(VCR) engine using Sardine oil blend as fuel

SASTRA University, Thanjavur.
Venkatesan.D Dhinesh S B Vicknesh Akilesh Kesavan

10. EEG Based Brain Computer - A Virtual Keyboard Control Using Brainwave Sensor For Crippled With IAUI

RMD Engineering College, Chennai.
R.H.Aswathy M.Surekha

11. An Augmentation to Dynamic Load Balancing Algorithm in Cloud Computing using Fault Tolerance Technique

School of Arts and Sciences, Amrita University, Kochi.
Geethu Krishnan Mahesh A S

12. Statistical Approach on Interaction effect, Mean response & S/N ratio analysis of Pulsed Current TIG welding parameters on Thermal profile & Mechanical properties of Al – SiC composite

SASTRA University, Thanjavur.
Sivachidambaram Pichumani Raghuraman Srinivasan

13. Study & Optimization on the effect of welding current & active flux coating thickness in the weld profile of Al-SiC composite weldment using A-TIG welding

SASTRA University, Thanjavur.
Sivachidambaram Pichumani Raghuraman Srinivasan

14. Performance Analysis of Topic Modeling Algorithms for news articles

Amrita Viswa Vidyapeetham, Coimbatore.
T.Rajasundari P.Subathra P.N.Kumar

15. An Automatic table detection and cell extraction using Image Morphological Operations

Amrita Viswa Vidyapeetham, Coimbatore.
Sindhuja S Baskar A

16. Clustering and Categorization of HTML Parsed Data Using Histogram Technique Deploying The TF-IDF Weight In The Field of Text Mining

SRM University, Chennai.
Swasti Saxena DR. B. AMUTHA

17. Design of SEA BALL for Maritime Security

AMET University, Chennai.
Dr. S.V. Saravanan M.Dheepak
